FOUR CONFERENCE GAMES BILLED ON 1925 TIGER FOOTBALL MENU

Auburn Tigers and Florida Alligators To Play on Riggs Field—Trip To Kentucky

A well-rounded schedule, including four big Conference games, has been announced by the Clemson authorities for the 1925 football season. Auburn and Florida, both teams famed over Dixie, will meet the Tiger on Riggs Field. Kentucky's Wildcats will meet an invasion of the Tiger into the Bluegrass region. And Columbia, Charleston, Greenville, and Spartanburg will all be scenes for Clemson games.

The big game of the home season will be the Tiger-Tiger battle between Clemson and Auburn, and this will of course be Homecoming Day. It is on October 3. Alternating between the two villages, the Clemson-Auburn battle is a traditional classic, always terrifically fought.

Closely rivaling this clash, will be the appearance of the Florida Gators on Riggs Field, November 7. Famed over the country as one of Dixie's finest elevens, the Alligators have not been defeated by a Southern Conference team this season. They will be a big feature of the year's program in upper South Carolina next fall.

A new trip for the Tiger team is that which will be made on October 10 to Lexington, Kentucky for a game with the Wildcats of the Bluegrass State University. Clemson teams have gone to the dark and

SENIOR DANCING CLUB HAS MEETING

Plans Discussed For Coming Dances.—Officers Elected To Fill Vacancies.—Dancing Club Is To Be Congratulated On Movement For Cheaper Dances.

The Senior Dancing Club held a meeting last Thursday to discuss plans for the dances of the year and to elect officers to fill the vacancies caused by the disturbances. E. L. Smith, the vice-president, was elected president and E. A. McCormac was elected vice-president. The secretary-treasurer is W. B. Williams.

The club showed excellent choice in the officers chosen and have secured men that are capable of pulling good dances here at Clemson. The dances are one of the few social affairs that we have here and it is the desire of all those who attend that dances be

(Continued on page 5)

CLEMSON STUDENTS RENDER PROGRAM OF STUNTS AT PENDLETON

Group Of Students Known As "Entertainers" Give Splendid Variety Of Stunts At Pendleton—Social Given To The Members After The Conclusion Of The Exercises.

The Clemson College Entertainers visited Pendleton last Saturday Night and gave a very good program in the school auditorium. The purpose of the visit was to show the people of the community the social side of the Y. M. C. A. work at Clemson. The purpose was accomplished splendidly if judged by the remarks of the ones who were so lucky as to be present at the entertainment.

The Pendleton folks came over and carried the men to Pendleton in cars late Saturday afternoon. The program was given under the auspices of the High School in Pendleton. There was a large crowd out and they seemed to enjoy the various numbers exceedingly. Among the best received, the work of Lightsey and Harmon seemed to make the best hit. The audience thoroughly appreciated the jumping powers of Schoolfield, but they seemed to be in high suspense that he might fall in his reckless clearing of tables and chairs placed on the stage. The "Quartette" rendered several selections that called for repeated encores. "Bob" Maxwell and his harp were in splendid tune when "Bob" essayed "Let Me Call You Sweetheart." The entire group of men carried out their parts of the program with the best success possible. The comments of the audience were to the effect that the work would be deserving of artists. They were anxious to show the members of the group that their efforts were appreciated, and that the program was good from beginning to end.

After the Program had been completed, the girls of the High School gave a social for the boys. Refreshments were served during the course of the evening. Certain members of the troop fell for the local girls. Lt. Col. Buck was smitten with love at first sight. The trip was enjoyed by all, and every man seemed to enjoy himself. Other trips will be taken later in the year.

The program was as follows:
1. Opening Clemson Orchestra "Jungaleers"

EIGHT CAGE GAMES ALREADY SCHEDULED

Crack Fives To Be Seen Here During Basketball Season—Others To Be Billed.

Eight games have already been definitely arranged for the varsity basketball season, and others are being negotiated. Six of the eight battles already billed will be played here, and the Clemson fans are assured of some fine basketball.

The Tiger cage team, led by Captain "Pinky" Colbert, will meet Georgia Tech, Georgia, V. P. I., Davidson, and Rollins College on the Clemson floor. Several of the state teams will also be played.

Beside the games already on the schedule, others are being discussed with Newberry, Carolina, Citadel, Wofford, and P. C.

The games already closed are:
Jan. 10. Ga. Tech in Atlanta.
Jan. 15. Georgia at Clemson.
Feb. 7. Rollins College at Clemson.
Feb. 10. Davidson at Clemson.
Feb. 14. Ga. Tech at Clemson.
Feb. 19. Furman at Clemson.
Feb. 12. Furman at Greenville.
Feb. 26. V. P. I. at Clemson.

—W. W. B.

CAPT. HARGOMBE TO ENTERTAIN VISITORS

All Cadets Attending Sophomore Dance on the 19th Are Invited To Bring Fair Laidies To Christmas Dinner.

Preparations are about complete for the best dance of the year, and all is in readiness for a gala affair. At least, these are the statements of Mr. Jake Cromer, President of the Sophomore dancing club, and Jake ought to know, because he never says anything unless he means it. The dance is to be held on the 19th of this month, the night before we leave for our Christmas holidays. This is a fine chance to get in training for the many social functions that you will attend during your leave of absence, so don't miss the chance.

The music for the occasion will be furnished by the "Junglers," Clemson's own popular Jazz orchestra, the best that can be obtained. Those who attended the Junior Dance will long remember the music of that night, and some more just as good, and perhaps better, will float over the hall the night of the Sophomore Dance. We cannot wish for better music than that furnished by the "Junglers."

To Capt. J. D. Hargombe goes the gold medal. He has made a proposition to the cadets for which each and every one is thankful.

(Continued on page 5)

DINING ROOM AND KITCHEN DEPARTMENT OF CLEMSON IS IN SPLENDID CONDITION

The Local Commissary Department Bears Inspection With Perfect Score—No Kick Can Be Made About The Conditions Existing There.

The writer of this article had the good fortune to make a trip through the dining room and the kitchen of our school last week. The conditions found there are deserving of comment and we are taking this space for the purpose of telling some of the things we noted while going through the department. A great majority of the boys at Clemson are unacquainted with the true conditions existing there and we believe that

an article describing these conditions will be beneficial to the students. In the first place, many think that the department is contracted out to an individual. This is not the case. A man is hired to supervise the department and he receives a regularly monthly salary. Every bill contracted by the department has to be endorsed by both the Director of Student Affairs and the President of the College. There is not the least possible chance for graft.

In the second place, there are people thorough out the state and also many students at Clemson who think that the quality of the food served the student body is not as good as it might be. According to statistics furnished to the Board of Trustees, the food served in the dining room is of the highest quality that can be obtained. In the trip through last week we were shown some of the food that was being prepared. Every part of it was up to a standard that we would expect in our own homes. For example, the butter. At the present time the butter that is being used in the dining room is the best grade on the market. The department is paying 50 cents a pound for the butter wholesale. The last consignment was bought from a dairy in Chester of this state. This example will hold true for all the material that is used in the preparation and serving of our meals here at school.

In the third place, there are these who repeatedly kick about the quantity of the food that is served. This is not the fault of the local Commissary Department. With the limited funds that they are given for feeding the students they are to be congratulated on the amount of food that they are able to issue. The amount allotted monthly for food by each student is very small. We believe that it would be the wisest move possible

for those in charge of such matters to raise the board a few dollars per month. The students have no complaint to make under the circumstances.

Lastly, as for the cleanliness of the entire Commissary Department. On our tour of inspection we saw that a model home would be worthy of the conditions regarding cleanliness, neatness, and general orderliness as found in the dining room and kitchen of our school. There was not a single discrepancy existing anywhere. On every side we could see that no effort was spared in making the plant absolutely sanitary.

These are just a few outstanding things we noted. If any other point about the department is not clear to the students, they are welcome at any time to make a trip through the plant under the supervision of the Director of the Department. Under a new plan of the college, students are invited to visit the department at any time. If you feel that you are not satisfied with the conditions there, you may personally clear up your misgivings by making a general tour of the dining room and kitchen. This space was given to this article because we felt that the students should have a better and truer conception of that phase of the college that furnishes them with that all important factor—food.

—E. L. S.

RAT BASKETBALL WELL UNDER WAY

Good Material Reports To Coach Richards—Schedule To Be Announced Later

The Rat basketball team has begun its second week of training with very good prospects. In spite of the inclement weather and other adverse circumstances the squad has shown a gradual increase in size. Up to the present time, it has not been possible to size up individuals with any degree of accuracy or justice. However judging by the general appearance of the boys and what little it is possible to find out about their high school playing, we feel verified in saying that as an entirety the squad is of good material.

Although it may sound like "old stuff" to say so, the class of '28 seems to have a composite character of general excellence. One fair indication of this fact is that the

Where Are You Standing Now?

The first half of the school year is nearly over. By this time you have been able to settle down in the life of Clemson. Why not catch up on yourself and see just where you are standing? It is the policy of every organization to take an inventory frequently to ascertain the conditions existing in the organization. You and your life is an organization and it is well that you take time to see the conditions present in your scheme of living.

It is not necessary to check up only on your class-room work, but on the many other sides of your daily routine. There are many factors entering into the test that will show you whether or not you are on the right side of the ledger. Are you keeping clean? Are you living fair? Are you keeping your pledge to your parents? Are you running with the right crowd? Are you playing the game as it should be played? These are just a few of the things you should be sure you are keeping straight. You are here for only a short while. Yet there are habits you form that will follow you through out your entire life. What is your room-mates' opinion of you? Would you be willing for him to pass judgement on you. The following letter received by the Registrar the past summer is an interesting illustration of this point. Where do you fit in this letter?

"Enclosed find the blanks we filled out as requested. Since we do not know any boy with whom our boy would like to room, we desire you to choose for him a room-mate of good habits, studious, a Christian. My husband and I are sending you a boy—some good material—for you to finish moulding and forming for life's duties. We would greatly deplore his being thrown with boys who would not help to make him better and find it easier to do the right. We trust his room-mate will

be congenial in every particular. Our boy has no bad habits—may he learn none at Clemson. Help him in every way you possibly can to be a student of whom Clemson may be proud as well as his parents."

The above letter is a true copy of one received from a Mother who sent her boy to Clemson this fall. Do you think you would be a roommate that she would be willing to have for her boy. Think it over, take stock, see if you have a sense of duty well done. If you are living right, then make the changes necessary for bringing yourself into line. When you go home Christmas, go with the knowledge that you have played the game to the best of your ability. It is best for you, for your parents, and for the school whose name you bear.

—E. L. S.

THE CHRISTMAS HOLIDAYS

Christmas rolls around once more, marking another mile stone in our short lives, but nevertheless we are glad to see the period of rest and good times come again.

Practically all of the cadets are preparing to go home for the Yuletide season, and all are looking forward to the best of good times. We know that you will be proud to enter again the home that is always open to you, and we trust that you will do your best to make those back home enjoy your presence. Make the most of the few days that you have, and convince Mother and Dad that you deserve all that they are doing for you. Nothing can make them so proud of you than your own actions around them. They have put their faith and trust in you, and it is up to you to show them that there is the spirit of grim determination in your heart to do all that you can to aid in their happiness.

Don't go home and grumble about things at school. There is nothing that can hurt the hearts of our loved ones as much as the knowledge that you are dissatisfied and discontented. Drown your troubles in the pleasantness of the merry season, and let's make this the happiest and merriest Christmas that our homes have ever known.

—J. B. C.

SUNDAY SCHOOL WEEK HAS GREAT SUCCESS

Increase In Attendance Is Found In Every Sunday School Class Of Community—Splendid Credit Is Given To The Men That Made The Movement Possible

During the past week the members of the Friendship Council took it upon themselves to try to increase the attendance at Sunday School last Sunday. They put up posters with "Go To Sunday School" written on them around the campus, and they saw as many of the boys as they could and asked them to go to Sunday School this Sunday. This Sunday there was marked increase in the attendance. The Presbyterians had about 122 present, about thirty more than the usual number; the Baptist had 180, about 55 more than the usual number and the Methodist had 141, about 60 more than their usual number. This looked very encouraging to the ones who usually take an ac-

tive part in the Sunday School work and the Friendship Council is to be congratulated for their work.

It is hoped that the new members who attended last Sunday will continue to come to Sunday School. It only takes about an hour every Sunday morning and there is a great deal of good to be obtained from attending. If we consider the time we spend for ourselves and then consider again the time we spend for Christ, we will find that we spend a great deal more time for ourselves than we do for Christ. Let the one who went for the first time last Sunday and others who have not been going come out next Sunday, the last time before Christmas.

—T. J. H.

SOCIAL GIVEN FOR PRESBYTERIAN BOYS

A Wonderful Time Enjoyed By Presbyterian Cadets At Social—Held In Small Gym—Refreshments Served By Ladies Of The Church—Girls From Nearby Towns Attend.

One of the most enjoyable affairs of the year was the social given by the members of the Presbyterian Church to the cadets who attend the church. The social was held in the gym of the Agricultural hall and all those attending had a wonderful time. Girls from various nearby towns were guests of the boys on this occasion and their presence added a great deal to the occasion. This is the first time in the history of the college when boys have had girls up on their bids to a church social but the success of this one was good proof of the feasibility of having girls up to other social affairs besides dances.

Those attending assembled in the gym where they were entertained by Prof. Lane on the piano, the string orchestra, the ever popular Jungaleers, a quartet consisting of Shands, Buck, Shealey and Boyd, a music by a harp trio. After this entertainment refreshments were served by the ladies of the church. It would be needless to say that these were greatly enjoyed by all those who partook of them.

After the refreshments were served the whole party adjourned to the Y. M. C. A. where they were entertained by a few selection by the quartet. After the quartet they were treated to a show by the kindness of the "Y". The show was greatly enjoyed and the officials of the "Y" are to be thanked for this part of the entertainment.

After the show there was a feeling of regret that the party was over but all those who were present had a wonderful time and are deeply indebted to Rev. McSweeney and the members of the Presbyterian Church for a very enjoyable evening.

—G. W. G.

This Day And Age

Ted: "Have you a cigarette? I am completely out."

Jack: "No, I haven't—but wait a moment and I will get one for you—OH, MOTHER!!"

He—"Do you think you can manage on my salary of fifty dollars a week, darling?"

She—"I think I can, but what will you do?"

—Sec

HONOR GRADUATES ARE COMMISSIONED

War Department Announces That Five Honor Graduates Of Clemson Are Given commissions—Four Are Accepted

The college authorities received an order from the War Department several days to the effect that the honor graduates of Clemson had been given commissions in the service of the United States Army. According to the regulations of the War Department, each of the Distinguished Military Schools are entitled to five commissions to be given to the men receiving recognition as being the honor graduates of that institution.

The five men receiving these commissions from Clemson are as follows:

Garrison, Charlton C; Hamilton, Stephen S; Vaughn, Theodore L; Warner, Marvin L; Wood, Thomas C.

Of these five men four have accepted the commissions. Mr. Theodore L. Vaughn did not accept his commission. He is at present associated with the Y. M. C. A. at Clemson. The four men who accepted the commissions received them without the standing of an examination, inasmuch as the War Department directs that honor graduates be commissioned without examination.

These men are well remembered by the students of Clemson. Each of them stood very high in the student body while at Clemson. We

predict for them great success in the new field they are entering.

—E. L. S.

He failed in Latin, flunked in Trig,

They heard him softly hiss, "I like to find the man who said 'That ignorance was bliss.'"

WHAT ABOUT THESE?

Revealing weakness in our teaching consider the humorous confusion in the following answers of high school pupils in the New York state regents' examinations:

"A vaccum is a large empty space where the Pope lives.

"Pompeii was destroyed by an eruption of saliva."

Typhoid fever may be prevented by fascination.

Silas Marner was written by Maxine Eliot.

Three members of the cat family are Papa Cat, Mamma Cat and Baby Cat.

Georgia was founded by people who had been executed.

A mountain pass is a pass given by railroads to their empyees so they can spend their vacations in the mountains.

Dew is caused by the sweating of the earth.

Sanitary suggestions for milking. If a cow switches its tail; it may hit a bacteria and knock it into the milk pail.

The hair keeps things from going into the brain.

The alimentary canal is in the northern part of Indiana.

Permanent set of teeth consists of eight cannies, eight cuspids, two molar and four cuspidors.

The cause of indigestion is trying to make a square meal fit a round stomach.

—Sec.

"Are you Hungary?"

"Yes, Siam."

"Den Russia to the table and I'll Fiji."

"All right, Sweden my coffee and Den mark my bill.

—Tickler

"Who got my ink, well?"

"Didn't know it was sick."

—Sec.

Fresh: "You have a rich voice."

Reece: "Yes, how' that?"

Fresh: "Well, it sounds well off."

—The Torch.

(Prof. Carpenter trying to explain that one of three points on a revolving disc revolved around the other two):—

"Mullins, you know how it is. You've been on a merry-go-round and seen others who are on there go around you, haven't you!"

"Horse":—"No sir, fessor. I always get off about two drinks before I get that far."

Booker is such big cross-word puzzle fiend these days that he tries to read the news paper both horrizontal and vertical.

THAT'S WHAT I THINK

Pass the bunk
Class work punk
Course you flunk
Pack your trunk

Adam:—"What do you do when you are kissed?"

Eve:—"I yell."

Adam:—"Would you yell if I kissed you?"

Eve:—"No, I'm still horse from last night."

The absent-minded professor surveyed himself in the hair brush instead of the mirror.

"Gracious, I need a shave," he mused.

On a farm in North Georgia is posted this sign:

"Trespaser's will be persekuted to the full extent of 2 mean mon-gral dords which ain't never been ovarly soshibil with strangers and I dubble barrel shot-gun which ain't loaded with no sofa pillows. Dan, if I ain't tired of this hel raisin on my proputy."

Cadet Coan who was visiting after long roll one night became extremely nervous when he heard the sonorous voice of Captain Lee questioning in every room if every thing was "all right." Suddenly everything became quiet and Coan thinking that the admirable Captain had departed stuck his head out of the door and asked a neighbor, "Hey, where is "Snake."

Captain Lee emerging from another cadet's room replied, "Here I am, what do you want?"

Cadet Coan, "Why Captain, I-I-er- didn't want you to get lost in the barracks.

Old jokes we always hear. "The one about breaking the camera when you had the picture made."

"Bout "Horse" always being so military.

"Bout How easy it is for me to beat out of formations."

"The one about Jonah and the whale."

"The ole gag 'bout Jacobi."

And those the Prof's tell.

Palmer: (At the V. P. I. game) "Did you think you could stop them?"

"Horse" Mullins: I realy did.

Fair one (To "rat" at dance). What did you mean by breaking while I was dancing with Captain Coleman?

"Newboy": Oh, I thought you were stuck.

HENRY S. JOHNSON ENTERS NEWS FIELD

An attractive folder has been received at the Alumni office announcing the publication of The South Carolina Gazette, a weekly newspaper, named after the first newspaper published in the colony of South Carolina, and which will be "A statewide weekly journal of a constructive nature to be published from Columbia, and to be devoted to the economic, industrial, agricultural, social, civic, and political life of South Carolina." Walter E. Duncan is to be editor of the weekly. Henry S. Johnson, of the class of 1910, and a member of the governing board of the alumni association, is associate editor. Concerning Mr. Johnson, the folder says, in part.

"Formerly, and for many years, with the Co-Operative Extension Forces of Clemson College and the United States Department of Agriculture, Henry S. Johnson, who is well known throughout the State because of his constructive work, will be Associate Editor of The South Carolina Gazette. Mr. Johnson is a man of broad vision who for the past ten years (with the exception of the time spent in the Army during the World War) has made a close study of Agriculture and allied subjects, as pertaining particularly to South Carolina."

Publication of the Gazette will begin about January 25th. Mr. Johnson is also Associate Editor of the Aiken Standard a weekly paper of Aiken, which position he has recently assumed.

ALUMNI ENGAGED IN INTERESTING WORK

Two Clemson Men Are Successful in Telephone Industry—Have Completed Preliminary Training And Are Assigned To Districts

Clemson men who went with the Southern Bell Telephone and Telegraph Company, on July 1st, have recently completed their preliminary training course and have now been assigned to various stations in the nine Southeastern states in which the Telephone Company operates.

Charles W. Boynton has been assigned to the Division Engineer's office, Atlanta, Ga., where he will be engaged in the preparation of plans and estimates for telephone construction work for the State of Georgia.

William B. Smith has received a similar assignment in Jacksonville, where he will likewise be engaged on the engineering of construction work for the State of Florida.

These two men, with 23 others, have recently completed the Telephone Company's preliminary training course, which not only gives college men an orientation in the telephone business but affords them an opportunity for selecting a particular branch of the business for which their abilities and training best fit them. It is reported that both Boynton and Smith have done well with the Telephone Company and that they are pleased with their initial assignments and their prospects for future advancement in the telephone business.

PALMETTO SOCIETY ENJOYS SPLENDID WEEKLY MEETING

Numbers Of Program Are Well Received—Small Attendance At Society Is Subject Of Address By President

The Palmetto Literary Society held its usual weekly meeting on last Friday night in the society hall.

The program, as a whole, was very much enjoyed by the few that attended. The query for the debate: Resolved that military service should be optional to all cadets at Clemson, was up held by Messrs. R. M. Foster and G. E. Metz on the affirmative; while G. E. Hawkins and W. A. White upheld the negative. The judges decision was in favor of the negative.

The outstanding number of the evening was a declamation by one of our freshman members, Mr. G. F. Klugh. He knew his selection well and delivered it in an affective manner. We feel sure that any one taking part in the literary society work during his four years at Clemson will be well paid for his time and efforts.

Fellow members of the Palmetto, we have not been doing our duty. Here-to-fore our society has been the largest if not the best society at Clemson, but in order to keep our standing we must get to work. Show the proper respect to your society by your presence, and help it grow.

—W. A. W

NOTED SPEAKER AT VESPER SERVICES

Prof. Gaines Of Furman Faculty Holds Attention Of Large Audience With Pretty Story Of The Romance Of Jacob And Rachel—Students Are Fortunate To Hear This Famed Speaker

Some time ago Mr. Holtzendorf tried to get Professor Gaines to speak at Vesper Services only to find that he was dated up for two months ahead. We deemed it a great privilege to have Professor Gaines to speak for us at Vespers last Sunday night. He is at the head of the English department at Furman and is a prominent speaker in this state. It has been said that he is more in demand as a speaker than any other man in the state.

Dr. Gaines said that he was very much impressed with the number who attended Vesper Services here at this, a state school. It shows that men are thinking something about the spiritual side of their life.

Dr. Gaines told very forcefully and impressively the story of Jacob, Rachel and Leah. "The romance of Jacob and Rachel" says Professor Gaines, "is a very pretty love story. It is a case of love at first sight. It was love that went on even after. When Jacob was standing at the well with the servant and Rachel came up to water her sheep, Jacob fell in love with her then and rolled the stone away from the mouth of the well in order that she might water her sheep. Rachel was beautiful and well favored the Bible says. Jacob started out to serve Laban seven years in order that he might have Rachel for his wife. At the end of seven years Leah, Rachel's sister, asked her father that she be allowed to marry Jacob as she was the older. Jacob was then given Leah for his wife. He being determined to get Rachel then set out to serve more years. After they were married it was a long time until they had any children then Jacob came and later Benjamin. Just after Benjamin's birth Rachel died. When her soul was passing away Rachel named the child Benoni because it meant child of grief, but Jacob said that it should be called Benjamin, child of my strength. Joseph grew up and was sent off into Canaan and when his brothers found him, he asked that Benjamin be brought to him. During all of this time Leah, the first and despised wife of Jacob, was living a life of anguish. The element of beauty was denied Leah, and she looked with jealousy upon Rachel. What must have been the emotions of Leah when she saw Jacob toiling so faithfully for Rachel. What a failure she must have thought her life was. But if she just could have looked into the future for a few generations how happy she would have been. She would have seen then how much her life really meant. If she could just have looked into the future and seen David, Solomon, and Jesus Christ as her grandchildren. If Leah could have dreamed of this she would have thought of her life a piece of a great pattern.

Let us look into our own lives. What are we making them count for? Are we seeing them in the

CALHOUN HOLDS REGULAR MEETING

Several Members Give Good Selections—Mathews Delivers Descriptions Of Small City In France—Flowers And Tate Elected As Vice-Presidents Third And Fourth Terms

The Calhoun Literary Society held its regular meeting Friday evening, Dec. 5, 1924, at 6:30 o'clock.

The society was called to order by President T. G. Roche and led in prayer by Mr. Tate. Next came the roll call and the reading and adopting of minutes.

The regular program was then entered upon. The first number on the program was the Declaimer, Mr. J. D. Mathews, who gave a selection which was enjoyed very much. Mr. Mathews chose as his subject, "My Sights in France During the World War." Next came Mr. F. S. Wells who gave a very interesting talk Mr. Dowling, the orator of the evening being absent, the reader Mr. E. S. Herlong was then called on. He gave an enjoyable selection.

As Vice-Presidents for the 3rd and 4th terms had to be elected, the remainder of the program was postponed and the rest of the time was given over to business. Mr. H. B. Flowers was elected Vice-President for the 3rd term, and Mr. H. S. Tate was elected to fill the same position for the 4th term.

For next Friday evening a good program has been planned. All members who were put on the program for next Friday, are very accomplished speakers. We hope to make this a red-letter night in our Society. Let's have a full attendance next Friday and help to make the evening a success. We are doing good work now. Let's make it better.

—A. O. R.

BIBLE CLASS MEN ARE GIVEN SOCIAL

Mr. And Mrs. Clolins Are Hosts To The Leaders Of The Various Bible Classes—Campus Girls Add To The Spirit Of The Occasion

On Saturday Evening last, the home of Dr. and Mrs. Loyd Collins was the scene of an enjoyable and very attractive entertainment in honor of those cadets who are interested in the various phases of Y. M. C. A. work in the cadet corps at Clemson.

The guests included Misses Lucile Rochester, Gene Klugh, Elizabeth Reid, Helen Reid, Edith Mills, Nellie McHugh, Gladys Norris, and Louise Bryan.

Messrs J. M. Longley, S. F. Wells B. W. Freeland, J. S. Holmes, G. E. Hawkins, M. B. Kirton, W. A. Hambricht, L. B. Blakney M. H. Craven, W. W. Lewis, and W. M. Lewis.

future as fitting into some great work?

Everyone enjoyed very much Dr. Gaine's talk and we all hope that he will see fit to come back to speak to us again.

—T. J. H.

WE WILL PAY \$5.00 CASH FOR THE BEST CARTOON FOR SATIRE

Satire is one of the best features of TAPS if handled properly. Everybody likes fun, so if you know anything funny or want to put a joke on somebody—draw a cartoon on a piece of free-hand drawing paper. What we are after is the best idea or joke, etc., to put in TAPS.

Rules: None.

Suggestions:

1. Anybody can send in any number of sketches or cartoons.
2. Cartoons must be in by December 18th. Bring Cartoons to T. E. Goodale in Room 62 or Mail to Box 78, Clemson College, S. C.

RAT BASKETBALL WELL UNDERWAY

(Continued from page 1)

aforesaid class has a number of members who are good at several different sports and activities. This is noticeable in the basketball squad as quite a number of the pig-skin artists are out for basketball laurels also. To be a first rater in any one thing is an achievement, and it may be better to be good at one thing than to be mediocre in several things. Yet the man who can do several things well, undoubtedly deserves the laurels.

It had been the writer's anticipation to be able to publish the schedule for the freshman cagers, but due to the fact that it has not been completed yet, the publishing of it will have to be delayed for another week. Nevertheless one game has been definitely decided upon and other engagements will be forthcoming shortly. It is the intention of the committee to schedule at least five games for the Rats, but no definite schedule has been worked out yet.

—E. W. C.

CAPTAIN HARCOTTE TO ENTERTAIN VISITORS

(Continued from page 1)

He has promised us our Christmas dinner on the night of the dance, something that will please every cadet, whether he intends to go to the dance or not, but above all he has invited every man to bring his girl to the dinner before going to the dance. This is an invitation for which we are truly thankful, and we wish to take this opportunity to thank Capt. Harcombe in advance, because we know that the dinner will be an excellent one, and we all will certainly enjoy it. Perhaps many girls will come to Clemson for the first time, and with such entertainment as that offered by our mess officer we know these newcomers will enjoy their visit.

Those cadets who intend going to the dance, but have not yet placed their name on the list, are urged to do so at the earliest possible moments, because the committee must know how many to expect. Put both your girl's name and your name on the list in Room 96. Pay up for the festival in "Red" Mitchell's room.

—J. B. C.

FOUR CONFERENCE GAMES ON 1925 MENU

(Continued from page 1)

bloody ground before, and the fans of that state well remember the battles which the Tiger has given the justly famous Centre "Praying Colonels."

Charleston will be the locale of the Citadel-Clemson battle, and Spartanburg will put Wofford against the Tigers at the Spartanburg Fair. Turkey Day will again feature the Clemson-Furman classic, this time on Manly Field in Greenville. The Bluestockings of Presbyterian College will be Clemson's opening game opponent. They always give us a battle.

And of course the Tiger and the Gamecock will meet at the State Fair. All South Carolina gathers there for its biggest football day.

The complete schedule for 1925:
Sept. 26. P. C. at Clemson.

Oct. 3. Auburn at Clemson (Homecoming).

Oct. 10. Kentucky at Lexington.

Oct. 22. South Carolina at Columbia.

Oct. 29. Wofford at Spartanburg.

Nov. 7. Florida at Clemson.

Nov. 14. Citadel at Charleston.

Nov. 26. Furman at Greenville.

—W. W. B.

THE FOOTBALL SEASON

"In the spring a young man's fancy Often turns to thoughts of love;" In the fall, Oh what a difference! Football takes the place of love.

Then no letters, burning letters, Saying, "I love you more and more," But instead, the college paper, Telling you the football score.

—Sec

SENIOR DANCING CLUB HAS MEETING

(Continued from page 1)

held as often as possible

The Senior Dancing Club was the main factor in starting the movement for cheaper dances here and the way they have succeeded is a credit to them. The dances this year have been good and have cost less than those of last year. While the price that has been charged at the last two dances was very reasonable, if it is possible the price should be reduced to a lower amount, if the quality of the dances can be maintained at a lower figure.

At this meeting plans were discussed for the Junior-Senior Dance and the other dances that will be given this year under the auspices of the Senior Club. It was decided to have another dance in March or April, the Junior-Senior and the Commencement Dances. These will be all the dances this year under the management of the Senior Dancing Club.

—G. W. G.

The barber kept calling for the next best looking man. Everybody remained seated.

Suddenly there came a voice "Horse, you are next."

"Yes, but I am waiting for him to call for the best looking nan," was Horse Mullins' quick reply.

WE APPRECIATE YOUR PATRONAGE

28 Years at Clemson. Come down and Let's Get Acquainted

THE DECEMBER LULL in athletic affairs is now upon us. Football is finished for the year 1924. Basketball is hardly under full swing, although Coach Bud has his boys getting ready for the season. This month, of all the college session is the one presenting the smallest amount of spontaneous excitement. From September to Thanksgiving, King Football rules. Then comes December, and probably it is a blessing that we have a calm after the storm of gridiron thrills. From Christmas, basketball holds sway until late February. By that time track and baseball are on deck, and they hold the boards until college closes. Right now we can only think of Santa Claus. Just ten more days until December 20th.

THE BASKETBALL bill of fare for the season about to open is not yet complete, but enough of it has been arranged to assure some nice, juicy treats for the Tigertown fans. Tech, Georgia, V. P. I., Rollins College, and several of the state teams will be seen on the local floor. Just what the calibre of the Tiger team will be cannot be predicted yet, but we can assure you it will be a fighting team. That's a characteristic of Bud Saunderson's teams in all sports. Some fine basketball will be seen here.

GARY FINKLEA is captain of the football team. THE BALDHEAD ROW congratulates the peerless end on his new honor. May the best of success be with "Fink" and his Tiger team. The honor could not have been better bestowed. "Fink" loves the game with his heart and soul, and he will fight his heart out on the gridiron for Clemson. Such action cannot fail to inspire his team-mates. The large, rangy body of the new Tiger leader, moved by the supple muscles of the true Tiger, houses a great heart of pure gold. A fighting heart it is, and a friendly heart as well. We were in the section, old section 24, with "Fink" our rat year, and we know what a friend in need, a true friend indeed, he is. Our football captain will do more than his share for the honor of the team next year. Let's all do our part to help him.

SOMETHING of the zest with which Finklea relishes football is intimated by a conversation which we heard the other day between two old-timers of the Tiger campus, Clemson alumni both of them and followers of the Purple and Gold for many seasons.

Said one of them, when Finklea was mentioned, "Do you remember how 'Mut' Gee (a Clemson all-Southern star, if you are not familiar with the name) used to take a joyous delight in playing football?"

"Yes," said the other, "and 'Bull' Lightsey (another Tiger all-Southerner, gentle reader) was the same way."

"Well," was the reply, "that's Finklea all over."

AND IT is true that, like those two, and other bright lights of tradition, "Fink" glories in the battle. Is it too early to predict for him the same fame over all Dixie that those others won?

THAT FLORIDA'S Alligators are to appear on Riggs Field in 1925 is good news indeed. Another treat is in store for the fans of the Piedmont section, who have seen some of the foremost elevens of Dixie in action on the Tiger gridiron since "Doc" Stewart took the epochal step of bringing the famous Centre Colonels here in 1922. The Alligators were undefeated in the Southern Conference this year. They played a tie game with the powerful Georgia Tech team and defeated both Mississippi A. & M. (yes they did, Prof. Reed) and Washington & Lee. Their victory over the generals in the final game of the Conference season was a bright point in their record, for the W & L crew was rated the best in the South Atlantic region of the Conference, going undefeated up to the final game with the Alligators.

Intersectional glory came to the Florida eleven when they held the Army to a 14-7 score at West Point. Eastern critics rated the team from the land of Sunshine and oranges as one of the best to come out of the South this year.

Such is the calibre of the team which will play the Tigers here on November 7, 1925. Most of the present 'Gator team will be back next season too. Many of the players are the same men who made Duval High School, of Jacksonville, famous a few years ago. That great scholastic eleven entered the state university practically intact and has added much to the gridiron glory of the institution.

TWO BIG conference clashes will be presented here next fall, with Florida and Auburn both billed to come to Riggs Field. Auburn is a traditional foe of Clemson. The Tiger and the Tiger, always ferocious to any foe, are even more so when they face each other. As a Homecoming Day battle, the clash with the Plainsmen will probably attract the largest throng of the season to the Clem-

son campus, while the famed Alligators should draw almost as big an assemblage.

ANOTHER TRIP to the dark and bloody ground of "Old Kaintuck" is in store for the Tiger eleven. The Blue Grass State has become a favorite hunting ground for Clemson teams, both football and basketball, during the last few seasons, and the boys look forward to a pleasant trip to Lexington next year. Watch out Wildcat, the Tiger is coming. Ask Centre if "Little 'Clemson' College, somewhere down in South Carolina" doesn't play real football, of the first-class fighting order.

This writer goes on record now as being a candidate for railroad transportation to the Bluegrass metropolis next October. We really will have to see that invasion, and all financial contributions will be appreciated. Any papers desiring to provide our expenses or any portion of them in return for reports of that battle will please apply early and avoid the rush.

AN UNUSUALLY lucky turn of the 1925 schedule is that each of South Carolina's four largest cities will see the Tiger team in action. Columbia, as always, will see the Tiger and the Gamecock scrap at the State Fair, and Greenville's Manly Field will again be the scene of Clemson's melee with the Purple Hurricane of Furman. Spartanburg has secured the Clemson-Wofford game for its Fair, and Charleston will watch the Junglers roar for revenge against the Citadel Bulldogs of the City by the Sea.

PAT HARMON, one of Clemson's fleetest footed backs, finished the 1924 season leading all South Carolina college players in points scored. Taking the lead by running wild against Elon on opening day, the Columbia flash retained it all season and ended the year with 48 counters to his credit, ahead of all other Palmetto State backfield stars.

IT MAY have all turned out for the best when the Rock Hill people were unable to secure the Clemson-Davidson game for the Winthrop campus. Numerous Tiger football stars, as well as other Clemson cadets, including the conductor of this column, were keenly disappointed when they failed to stage the battle within the walls of the South Carolina College for Women. But in the light of a news item which was published in Sunday's papers we see that possibly calamity was averted. Eddie Cameron, star half-back of the Washington & Lee Generals, according to the press, was married in October, keeping the fact a secret until the end of the football season. Now if the Tigrs had appeared on the Winthrop field, we fear that the entire varsity squad, together with its camp followers, might have taken on the ball and chain of matrimony. Then "Debe" would have lost some of his fair daughters, and several Tigers would be needing more cash than their R. O. T. C. checks to keep the wolf from the door.

Budding Poet:—"Oh, Mr. Jones, I saw the loveliest little cowlets in your pasture as I passed."

Farmer Jones:—"Them ain't cowlets, them's bullets.."

GOOD PROGRAM IN WADE HAMPTON

Despite Small Attendance The Meeting Is Successful—Debate Is Won By Lightsey—Greater Attendance Is Aim Of Society

The members of the Wade Hampton Literary Society held their regular meeting last Friday night. There being a great many Presbyterians in this society who attended the Presbyterian social, the attendance was limited. However the ones present carried on the good work. The president called the society to order and the program was carried out.

he query for the debate was: Resolved, "That Clemson should be made a coeducational school." W. K. Craven supported the affirmative, while F. B. Leizsey fought

for the negative. The decision of the judges was in favor of the negative. L. S. Banknight made a splendid talk. C. A. Long read an interesting selection. Hester related some of the current news. The jokes by N. C. Cromer concluded the program for the night. The program was short, but it was enjoyed by everyone present.
